2 LIGHT WALL SCONCE

WALL SCONCE

Two Light Wall Sconce is a stylish, sophisticated and elegant wall light fixture. Made from durable aluminum, this is built to last and offers a clean, polished look. Recommended for kitchens, bedrooms, bathrooms, living rooms and hallways. This fixture is designed to add some character to your walls, and can be installed with the bulbs vertically or horizontally, to accent the walls either side. Perfect for larger walls, the dual bulb fixture will illuminate your walls, brightening the whole room. The classic style of this light fixture is very easy to install, and mounts onto the wall in any position.
