Beam	Height
30°	2″

3″ — LB11862

Wattage	Lumens
9W	900 LM
Beam	Height
45°	3″

4″ — LB11864

Wattage	Lumens
12W	1200 LM
Beam	Height
45°	4″

ORDERING GUIDE

Model	Size	Watts	Lumens	Beam
LB11860	2″	7W	700	30°
LB11862	3″	9W	900	45°
LB11864	4″	12W	1200	45°

All models: 5CCT selectable (2700k-5000k) · 90 CRI · COB LED · 120-277V, 60Hz · Triac dimming · White trim · Wet location · ETL · 50,000 hrs

ACCESSORY

LB15158

26″ x 6.5″

New construction plate with 2.36”, 3.14 and 3.93” rings, so one plate fits all three sizes

INSTALLATION

FIVE STEPS: From cut-out to light

01 — Power off & cut
Cut a ceiling hole matched to the fixture size.

02 — Wire the box
Connect the supply cable and set the 5-in-1 CCT switch.

03 — Connect fixture
Plug the fixture lead into the junction box.

04 — Seat it
Fold the spring clips and push it flush to the ceiling.

05 — Power on
Restore power and confirm the light works.

5 YEAR WARRANTY

Request specs sheets or a quote

Every model is backed by a 5-year warranty.
